I discussed with Eric D, and he told me of the tests which was performed and I am fine with the part also.

I am still being asked by finishing if they can paint this. Has someone made a decision on this? I thought you, Eric and Carl looked at it lastnight and all was good, you also told me the same thing this morning.... Could someone please let me know if we can paint or not? If we do get the freight info tomorrow, it will ship tomorrow, IF there is an issue with it, we need to advise the sales team..
